Hi Mark,

Hope your week is going well!

I wanted to introduce you to Bob Buente, our board treasurer and an affordable housing developer in South Park. His company, 1010 Development, is having some utility issues with one of their properties, and we were hoping you could help them find a solution.

I'm not sure where in the world of casework this will fall, but Bob will give you more details.

Bob, Mark Gonzalez is Assembly Member Santiago's District Director. Let him know the details, and if there are any relevant letters or paperwork, please share them as well.

Let me know if I can help at all!

Wallis Locke
